

Obama Reveals Startling Sharia Law Sympathies After Vile Attacks

President Barack Obama revealed his Sharia Law sympathies as he vehemently spoke against Newt Gingrich, according to *Revelation in The News*.

Gingrich had said, "Let me be as blunt and as direct as I can be: Western civilization is in a war. We should frankly test every person here who is of a Muslim background, and if they believe in Sharia, they should be deported. Sharia is incompatible with Western civilization. Modern Muslims who have given up Sharia, glad to have them as citizens. Perfectly happy to have them next door."

In response, the president called the former Speaker's desire to look at Muslims' practices "repugnant and an affront to everything we stand for as Americans."

"Why specifically should Obama believe it 'repugnant' to oppose such intolerance, brutality and inequality simply because we label it as a religion? It doesn't make any sense," host Zach Drew says.
