

Pastor Who Prophesied Trump's Victory Says God Is 'Raising a Prophetic Order of the United States'

The Lord is raising up a prophetic order of the United States, Frank Amedia decreed recently on *The Jim Bakker Show*.

"I started to lay down so excited I couldn't sleep," Amedia says of the moments after Trump was elected. "And all of a sudden, the whole vision of POTUS Shield fell down upon me."

Amedia, who boldly prophesied Donald Trump's election victory long before the votes were tallied, described his vision in detail.
