

Paula White-Cain Shares the Word of Knowledge That Rocked Her World After 'All Hell' Came Against Her

Paula White-Cain says in 2003, "All hell begins to come against me."

But then a prophet showed up.

"'You, you, you, God's going to use you. He's going to use your beauty,'" Cain recalls. "Of course I'm a little sassy sometimes, and I said, 'You better give me more than that.' ... And all of a sudden, He gives me a word of knowledge of me in a field, and I know God is speaking to me."

Cain shared the story on an episode of *The Jim Bakker Show*, where she offered some prophetic words of her own.
