

Paula White Cain Shares the Word of Knowledge That Rocked Her World After 'All Hell' Came Against Her

Paula White Cain says in 2003, "All hell begins to come against me."

But then a prophet showed up.

"'You, you, you, God's going to use you. He's going to use your beauty,'" Cain recalls. "Of course I'm a little sassy sometimes, and I said, 'You better give me more than that.' ... And all of a sudden, He gives me a word of knowledge of me in a field, and I know God is speaking to me."

Cain shared the story on a recent episode of *The Jim Bakker Show*, where she offered some prophetic words of her own.
