

Phil Robertson: 'Donald, You Do Have Sin'

When *Duck Dynasty* patriarch Phil Robertson was granted 10 minutes with President Trump, he knew exactly what to do: Preach the gospel.

"I said, '10 minutes, that's all I need.'"

Robertson shares the story on CBN's FaithNation program this week.

Before the meeting, he prepared a handwritten diagram explaining how Jesus came to forgive sins. After he and the president exchanged greetings, Robertson reached into his pocket and pulled out the diagram.

"I said, 'Whatever happens, *whatever* happens, don't miss this.'"

Then, he held up the piece of paper that described how Jesus became flesh to take away the sins of the world and told the president:

"'He died for Donald Trump's sins ... Donald, you do have sin.'"
