Prayers That Bring Healing

John Eckhardt

Charisma House

John Eckhardt follows up his best-seller *Prayers That Rout Demons* with *Prayers That Bring Healing*, addressing the topic of God's power to heal. He identifies 12 biblical ways that

healing can take place, including laying on of hands and anointing oil.

Eckhardt teaches that no matter the sickness or medical report, God's

will is for us to live a full, healthy, disease-free life.
