

Prominent Pastors, Christian Celebrities Did the #FaceAppChallenge, and the Results Are Hilarious

The #FaceAppChallenge has been taking over Instagram lately—and Christian leaders and celebrities are joining the fun. The free trending app ages photos to show what individuals would look like years down the road.

Several prominent Christian leaders like TBN's Matt and Laurie Crouch, Tim Tebow, Kari Jobe, Lecrae, Priscilla Shirer, Hillsong's Bobbie Houston and others used the aging photo filter. Some loved their results, but others were not so thrilled.
