

Prophecy: A Tsunami of My Spirit Is About to Hit the USA

“A tsunami of My Spirit is about to hit the East Coast of the United States of America and sweep across this great land—from the east to the south, moving across into the west, then north into Canada and down into Mexico. The entire Western hemisphere will be affected by this revival and awakening,” says the Lord.

“O America, My beautiful: prepare for the impact. For a tsunami of My Spirit is about to come upon you. Nothing can stop what I am about to do in this nation. Nothing devised by man nor any demon in hell can stand against this move of God. Only a warning sound can be given!

“Shock waves will be felt throughout this country and around the world. Wave upon wave will come. It will be relentless. It will come from person to person, from church to church, from region to region and from state to state. For I am breaking open the fountains of the great deep that lie within My people (see Gen. 7:11)!

“It’s the power of God that they never knew was there, but I have had reserved for them all along. They will know who they are, whose they are and what is at their disposal. They are coming forth with My power and My anointing to take back what has been stolen from them. They will take new ground in My name, fully weaponized by My Spirit,” says the Lord.

Consuming Waters and a Mighty Shaking

“Nothing will be left untouched by these waters. Everything will be affected! With this tsunami will come a tremendous shaking in the land. I, the Lord God, I will shake everything.

Every stone that has been laid by the hands of men will be torn down. Only those stones that are laid by the hand of God shall remain because, I am the Lord God—I am the architect. I am the builder.

“Return to your first love! America: I am calling you back. Back to the foundations of what this country was built upon—the truth of My Word.

“I am building My church. I am building My tabernacle. I am building My temple in this day and in this hour. My people, they are My temple—individually and corporately—they make up the bride of Christ. Individual temples making up a larger house of the living God.

“This shaking will be unlike any other shaking that has ever been felt in the earth or in the body of Christ. Lines will be drawn. Sides will be taken. Some will reject, but more will come in.”

Choose This Day Whom You Will Serve

“The battle cry of this revival is: Choose this day whom you will serve. If God be God, serve Him! If Baal be God, serve Him. It is a showdown of the ages. It’s like Elijah on top of Mount Carmel. You cannot serve two masters. The days of sitting on the fence are over!

“I, the Lord God, I say to you today: Choose this day whom you will serve! If God be God, serve Him. Take Him at His Word. Listen, believe, and do. Walk in obedience to whatever I am saying to you in this hour.

“My sheep know My voice; they hear My cry. They listen to My voice and My voice alone. They speak the language of My kingdom, and all other voices are a foreign language. This is critical: to listen for My voice of instruction and whatever I may say to you—this is what I require.

“But to hear My voice, you must come into the ‘Secret Place’ of the Most High God—the holy of holies! You must come back to a ‘covenantal rRelationship’ with Me! Return to your first love!

“America: I am calling you back. Back to the foundations of what this country was built upon—the truth of My Word. I have heard the cries of My remnant,” says the Lord. “The tide has shifted! I have heard from heaven, and I am sending down My answers.”

Blessing Follows the Shaking

“There will be a great shaking in the land, followed by tremendous blessing. Some may have thought it was too late for America, but I want you to know today that I have heard the cries of My remnant. I have seen your tears in the nighttime hour, and America, you will shine your light once again.

“America will be a ‘lighthouse’ to the nations once again. She will shine with the flames of My fire, burning hot with the glory of God. She will be a ‘burning bush’ for Me, humanity on fire with My glory. Her ‘trees’ will not be consumed. America’s trees will shine brightly with the glory of God! Hallelujah!

“They are coming forth with My power and My anointing to take back what has been stolen from them. They will take new ground in My name, fully weaponized by My Spirit.”

“America, once again, will affect nations for the kingdom of God. And nations shall come to your light, and kings to the brightness of your rising. America is rising once again. America is on the rise—if she listens to the Most High God. If she humbles herself before My mighty hand.

“‘If My people, who are called by My name, will humble themselves and pray, and seek My face and turn from their wicked ways, then I will hear from heaven, and will forgive

their sin and will heal their land" (2 Chron. 7:14). {eoa}
