

Prophecy and Science Align as They Predict Great Shaking to Hit America

Prophecies and science now align as people predict a great shaking is coming.

“I believe it’s shaking in the spiritual realm and in the physical realm,” *Revelation in the News* host Zach Drew says Jim Bakker said during a recent word. “(Bakker) believes this shaking will lead to an incredible harvest around the world.”

The “shaking” is expected to be so great that Hollywood could have a field day making movies about the events.
