

Prophecy for Vermont: 'Freeze Is Over, Thaw Is Coming to New England'

Thank you for praying for my ministry in Vermont recently. One morning as I awoke there, the Lord spoke to me:

"The freeze is over in Vermont, and a thaw is coming to the New England States. Vermont will no longer be called frozen but chosen. The frozen spiritual atmosphere is beginning to thaw. There's a meltdown taking place, trickling into little streams coming together, turning into rivers and then into mighty waterfalls."

I heard the Lord ask Vermont a question, "Have you heard of Niagara?" This thawing out will take the body of Christ by storm. Physical and spiritual prisons will discover a river running through them, with angelic activity waking people up as the angel woke Peter up in prison and walked him to freedom.

As I blew the shofar in Vermont, the Lord nicknamed it: "The Icebreaker." And the ice is breaking in New England: Maine, Vermont, New Hampshire, Massachusetts, Connecticut, Rhode Island and beyond.

Your prayers do wonders. Thank you. {eo}
