

Prophecy: Glory Portals Are Opening Over Cities Around America

Best-selling author and television host Dr. David Herzog has written a new word for Elijah List in which he says he saw heavenly portals being created in different cities that God will interconnect in a network of supernatural highways through which favor, provision, mantles and glory will flow for a coming revival.

He wrote:

These cities, which are being linked by a supernatural highway, will create a net across the nation for the harvest. Like a lightning bolt, it will strike, causing a fast connection between the portals. Ministers from glory portals in other cities will minister in each other's open heaven portal city, bringing something new from Heaven.

Many "suddenly" doors will open where you will participate or minister in these portals, as the glory over them gets brighter and brighter and spills over into harvest. You might just get transported to different cities—like Phillip!

Herzog listed a number of cities where he said these portals are opening up:

- San Diego,
- Santa Maria, California,
- Sedona, Arizona,
- Phoenix,
- Las Vegas,
- Spokane, Washington,
- Kona, Hawaii,
- Hilo, Hawaii,

- Houston,
- a city near Dallas,
- Charlotte,
- Atlanta,
- Rochester, New York and
- Washington, D.C.

He said other cities will be included as well. He said these portals will be connected internationally as well. Noting that God promised to open the heavens when we honor His appointed times and seasons, he said the intersections of geographical and seasonal portals will lead to “amazing things” happening.

Herzog wrote:

The supernatural wealth transfer that many have been talking about is from heaven, and it will also be connected with what God is doing in China in the earth realm and the new technology coming out.

Jerusalem is opening up more than ever now, as the glory is descending upon that city. Washington, D.C. and Jerusalem are interconnected. At the U.S. presidential inauguration in January (and even several days before it), a huge heavenly portal opened up over the U.S. capitol like I have never experienced before. This caused immediate shifts, not only in the USA and our government, but it started to shift things in Israel.

This shift will cause things that have never been taken seriously (like moving the U.S. Embassy to Jerusalem) to occur. This will cause the plates to shift in the spirit, further securing the portal between the two nations of Israel and the U.S. and speeding up the plans of God for world harvest and revival in Israel.

Herzog had much more to say about the current spiritual war underway, how this prophecy applies to France and how technology will lead to a speeding up of the harvest now under

way. Click here to read the entire article at the Elijah List website. {eoa}
