

Prophecy: God Is Raising Up His Ezekiel Watchmen Prophets Now

The Lord said He is raising up His Ezekiel watchmen prophets in this hour!

- Do not despise their warnings; they are sent by the Lord to keep many from peril and destruction. They are not speaking out of harsh judgments or a hope for destruction but to warn of impending danger and as a rallying call for prayer and intercession!
- Do not despise their warnings, for they are not called of their own accord, nor do they choose what they see and hear; they simply do what they are called to do. They hear what others do not hear, things that are coming, things that the enemy plans to do—and they warn. They warn not to create fear, but to give you an upper hand in what is coming, to give you a chance to repent and change your mind if needed—and yes, even to give you a chance to pray and receive strategy from His Spirit on how to handle the days ahead!
- Do not despise their warnings, and do not think they laugh as they warn of what is to come. If they are truly sent of Him, they do not laugh, but cry, and carry the burden of the weighty things they see and know! They speak because they must, so that the blood will not be on their own head.
- Do not despise their warnings, but heed them ... for they can mean life or death in the months and years to come!

I heard the Lord say, “I have called forth My watchmen

prophets in this hour, out of mercy for My house and My people ... to warn them, to keep them protected from the many things that are coming. Just as in the days of old, I have prepared a 'Goshen' for My people, if they will listen and heed My true prophets. Do not be wise in Your own eyes, or think that You know My heart in its fullness. Many things are coming that My body has not been prepared for, but I am sending forth those that will help prepare them for the days to come. If you will listen and heed the many that I am raising up with the voice of a watchman, as one crying in the wilderness, they will prepare the way of the Lord for you, and you will walk in My divine protection. Now is not a time of fear, but of faith in Your God, for I will not leave You or forsake you, but you must follow Me, and heed My voice. You must listen, and follow the instruction of My Spirit. Now is the hour to listen to My watchmen!"

Please be in prayer with me as the Lord continues to release this word to me about the Ezekiel watchmen He is raising up in this hour!

Son of man, speak to the children of your people and say to them: If I bring a sword upon a land, and the people of the land take a man from among them and set him for their watchman, and he sees the sword come upon the land and blows the trumpet and warns the people, then whoever hears the sound of the trumpet and does not take warning, and a sword comes and takes him away, his blood shall be upon his own head. He heard the sound of the trumpet yet did not take warning. His blood shall be upon himself. But he who takes warning delivers his soul. But if the watchman sees the sword come and does not blow the trumpet and the people are not warned and a sword comes and takes a person from among them, he is taken away in his iniquity. But his blood I will require from the hand of the watchman.

Now as for you, son of man: I have set you a watchman to the house of Israel. Therefore you shall hear a word from My

mouth and warn them from Me (Ezek. 33:2-7). {eoa}

Amanda Shiflett is the founder of Prophetic Reformer and co-founder of Kingdom Life Ministries along with her husband, Darin. She is a prophetic minister who heard the Lord's call from a very young age. She is a heralding voice of truth, holiness and purity within the prophetic and calls others to stand in a place of no compromise in their callings. She longs to see reformation come to the prophetic movement, as well as the other parts of the fivefold within the body of Christ. Along with her calling as a prophetess, Amanda also flows in a powerful worship and healing anointing and is a gifted teacher and writer as well. Darin and Amanda live in North Texas.
