

Prophecy: God Is Releasing Keys, Opening Doors to Unlock Your Acceleration

I was in a corporate prayer meeting several nights ago and heard one word from the Lord: “quad.” I knew when I heard this word God was about to release a powerful revelation. I looked up the definition of the word quad, it is “a group of four insulated conductors twisted together, forming two circuits.” As I continued to pray and seek the Lord, I heard these two words very clearly, “keys” and “doors.”

So let's break down the first one. In this hour, God is releasing keys. For some, this may be key insight or key relationships. Or for others, it may be key financial blessing. God is about to give you a key to that one thing you've been trying to get a hold of. There will be many different types of keys released to people in this hour, but the important thing is that God is saying He is giving people keys to that one thing they have been asking and praying about in order to move them forward. God is giving His children keys to unlock the doors He has for them.

The second word was the word “doors.” When the Lord spoke this to me, it was not just singular. It was “doors” plural, which means more than one door. God is opening multiple doors for people right now. There are people who are about to step out and start a new business or launch a new ministry and God is going to open up doors for you as you step out and give you keys to unlock multiple doors. The Lord spoke to me and said, “Everything from your past, every pain, trouble, blessing, hard season, great season, all of your education and training will make sense and help you as you walk through the doors.” I saw this like a funnel which starts out with a wide opening and becomes narrow at the bottom. I saw this season like a

funnel of everything in the past coming together and leading up to this moment for many people.

Remember the original word the Lord spoke to me, “quad.” A quad is multiple things coming together to create two circuits, two things which funnel or transfer power. In this season, God is giving His children keys to unlock doors to move them into a greater dimension of destiny. As this power is released into your life, God is going to bring an acceleration to the keys and doors He is giving to you. We are in a season of extreme acceleration. Some have been waiting a long time for what they are about to step into in this season. Some people have been praying for God to open a door for them, and He is about to give them the key to unlock those doors. You are about to step into doors you couldn’t have walked through if you had not had the persistence to keep moving forward. The body of Christ has never experienced an acceleration like this before. But God has been preparing His people to go faster than ever before. It is coming speedily, and you will have the keys you need to unlock every door God has for you.

I encourage you, my friends, if God is calling you to step out and do something in this season, go for it! We are in a powerful season and we need to be flowing with the power of the Holy Spirit. Everything from your past is coming together at an accelerated pace to receive keys and open doors. This is a John 10:10 moment for many people. The enemy came to try to steal from you, kill and destroy you in past seasons, but God has come to give you abundant life. Get ready to reap the benefits of staying the course even when it got rough. Get ready to receive keys from heaven to unlock multiple doors. This is a season, and now is the time that God is taking multiple things from your past and from previous seasons and using them to create two power circuits for you, keys and doors! {eoa}
