

Prophecy: It Is Time to Checkmate the Enemy

The Lord released the following prophetic word and vision to me on Sept. 20 while I was attending Head of the Year. I posted the word on social media, and Dutch Sheets asked me to release the word corporately at the gathering on Sunday morning.

If you haven't already seen it, you can watch the replay of that Sunday morning service, Sept. 20, which is available on the Glory of Zion GZI TV app. The Lord moved powerfully as it was shared.

Join me on this episode of *Victorious Prophetic Warfare* as we pray prophetically and strategically in agreement with the prophetic word for our nation and nations in this critical hour.

It is time for checkmate!

Prophetic Word From the Lord

"The enemy thinks he has secured great victories in this season, but I am the master of the chess board that the world, man and Satan have attempted to manipulate through humanism, demonic delay and anti-Christ agendas. I have sudden moves that Satan and corrupt men and structures will not see coming. There will be sudden moves initiated on the game board that will trump evil and corruption and secure victory.

"Remember, that while I hung on the cross, Satan thought he had won. But I secured the keys he had stolen and, in a surprise, not yet seen move, I rose from the grave and defeated death and hell. Don't think darkness and evil have won. Their defeat and destruction were secured on the cross and sealed by my resurrection life. There will be more

suddenly, surprise moves. I will initiate the final secure move of checkmate on the game board the enemy has set in motion among the people and nations.

“My *ekklesia* must rise above the roar of chaos and see, perceive and discern from My victorious eternal throne room position and operate in the victory strategy. The world looks different from the sight of victorious redemption.”

I then saw the U.S. in a vision, and the Lord spoke, “Look for the next sudden and swift strategic maneuvers. They will come suddenly and swift but with great effectual victory.” I saw the sound of the intercession, worship, strategic warfare decrees, prophetic proclamation and decrees resounding out in soundwaves of the spiritual atmosphere. It penetrated and pierced through the canopy and shroud of darkness, evil, lies and corruption and glory, light and justice broke through shining throughout the land.

Now is not the time to be silent!! Now is the time for the armed and ready battalion of spiritual warriors to engage to secure the kingdom order for the new era. It is now the time to tip this reset moment into righteous kingdom alignment, time and harvest. {eoa}
