

Prophecy: This is the Season of Change and Double Portion

Read Time: 4 Minutes 5 Seconds

Praise be to the Lord of hosts, maker of heaven and earth, for the name of the Lord is good and His mercies endure forever; who sits on the highest throne and rules with a rod of righteousness; who brings forth the rod of correction, and to His kingdom there is no end!

I Am Triggering a Current

The Spirit of the Lord says this day, “Your hope, My children—Your hope—is in Me,” says the Lord of hosts. “Your hope is not in man-made systems that are fallible, that are faulty, that grossly miscalculate, for their makers are faulty,” says the Lord.

“I am triggering a current,” says the Lord, “that will run across this nation—an electrical current as well. ‘Supercharges’ in the skies shall bring forth the unusual,” says the Lord.

The Fixers Shall Be Exposed

The Spirit of the Lord says this day, “The fixers shall be exposed; yes, the fixers,” says the Lord, “those who have been paid by means of digital currencies and notes to fix events in your nation in their favor; to try and fix and cause a very, very skewed outcome in more ways than one,” says the Lord of hosts. “For this is beyond elections,” says the Lord, “far beyond the elections. For they not only desire to fix this nation in their favor, but key countries of resource and influence around the world.”

Watch Zimbabwe

The Lord of hosts says, "They are examining Africa closely," says the Lord, "for what is in the earth is much desired, and a resource lies deep in the earth that has not yet been uncovered. And the corrupt and those bound by mammon and greed, who serve such powers and principalities, are narrowing in on such countries," says the Lord. "Watch Zimbabwe for events of such a nature."

Discoveries Will Emerge on the West Coast

The Spirit of the Lord says this day, "Near the West Coast, the current shall switch, for a sequence that has been switched shall be discovered and reversed. For there is a sequential, mathematical code that has its tentacles throughout those states on the West Coast; throughout their commerce system; throughout their election system; throughout their corporate systems. And deep [is] its cavernous dwellings; the head lies deep within the government of more than one state who are working in tandem to attempt to dry up the lakes."

The Lord of hosts says, "This cavernous dwelling shall be discovered amongst the West Coast states. A buried disk shall emerge as they have attempted to purge the people of their voice. However," says the Lord, "their vocal box shall be taken instead. Their stump shall be suddenly removed from under them. For I the Lord thy God say this day: The tide has just begun to turn, and the high tide they have used to cover their dealings is going out, and what is on the FLOOR shall be discovered," says the Lord.

A Changing of Lanes for My Anointed and Appointed

The Lord of hosts says, "The races set before those I have anointed and appointed for leadership—the lanes shall suddenly switch and change. A changing of lanes," says the Lord, "is coming as I the Lord your God steer you through this turn. For this turn is in tandem with the standard I am raising in your

nation; it must work in tandem. And I the Lord am decreeing this day to leaders: "You uphold that standard or you will be removed. Do not abuse your seat, but use it as a tool to rebuild, for the people of this nation, that rubble was left."

Snakes Will Be Found in DC

The Spirit of the Lord says this day, "Snakes in Washington, DC will be found in unusual areas. The boroughs that have been made, that have compromised the entire system, shall be found and closed up," says the Lord.

The Lord of hosts says, "There is another country that shall yet be discovered for dealings with those high in office. There is another," says the Lord, "and it has had a secret channel from the area of South America, connected across the oceans to Ukraine. There are other dealings of business and weaponry that shall be discovered. For the largest gun-running operation, whose sticky fingers reside in leadership in your nation, shall be exposed. The hour is quickly approaching."

Amanda Grace and her husband Chris are the founders of Ark of Grace Ministries (located in the beautiful Hudson Valley), walking out the commission in Mark 16:15: "Go into all the world and preach the gospel to every creature." They minister to all of God's creation, both people and animals. They prophetically minister and teach, breaking down the Word of God (which is living and active) by examining the Hebrew and Greek roots of the Bible, as well as the times when it was written, to understand the true context of the Scriptures and apply them to life. Another way that Amanda and Chris minister at Ark of Grace is through their animal sanctuary, where they take in lost, abandoned, disabled animals and show them the love of God. Amanda also takes care of her husband Chris who

sustained a traumatic brain injury in January 2019 and miraculously survived. They have both experienced and understand the incredible power of Almighty God and how He redeems! They teach others—through their testimony, biblical teaching, the prophetic and life lessons of caring for the residents of their animal sanctuary—how the Lord can move in every circumstance of life.
