

Prophecy: What to Expect After Jewish Massacre in Pittsburgh

I was shocked. It was unexpected, but tragedies like the Pittsburgh synagogue shooting always are.

I learned of this horrific event during my School of the Prophetic. I instructed my students to do a prophetic exercise I call "Current Events" where they prophesy into a news headline.

While they were praying, I decided to look at the news headlines to find an example so I could demonstrate. To my surprise, I read headlines about a massacre in a synagogue in Pittsburgh. It shook me as I saw what the enemy was planning next.

The massacre left 11 dead in an attack during worship services. According to CBS News, the victims ranged in age from 54 to 97, the latter of whom was a Holocaust survivor.

Police sources tell KDKA's Andy Sheehan the gunman, Robert Bowers, walked into the building and yelled, "All Jews must die."

According to 2016 FBI statistics (the most recent year data is available), there has been a nearly 5 percent hate crimes increase since 2015 and 10 percent since 2014. The FBI reports 1,273 crimes committed due to religious hatred—half those were against Jews.

Anti-Semitism is rising in the U.S., and this is just the beginning. The Holy Spirit showed me Anti-Semitism is going to ramp up. Most people aren't aware that there are nearly as many Jews in America as there are in Israel. America is a

stronghold for the Jewish people and therefore will become a greater target of terrorism in the years ahead.

In my School of the Prophetic, I heard the Lord say:

“This is indeed a day of demarcation where you will begin to see more public, more vicious attacks upon My people. You will see them targeted for abuse and targeted for discrimination. You will see this because I am preparing a way for the Aliyah. I am preparing a way for them to return to their land. I am preparing a way in an unwelcome environment.

“As for you, you shall stand for them and you shall bless them and curse them not. You shall bless them with your prayers and you shall bless them with your words. And you will not be known as a people who tears down a people that I am building. For My heart is still with My chosen nation. My heart is still with My people.

“And I am charging you today with a renewed response of intercession to press in for My people, to bless Israel and to pray for the peace of Jerusalem but not just the Jerusalem that is in the Middle East but the Jerusalem that is here, represented by My people that are round and about you.

“They need know My Son. They need to know Him as Messiah, the one that came to sacrifice His blood and His body on the cross for their eternal redemption So begin even now to press into strategies to see My people saved because I am bringing them to a new place even as the attacks against them begin to arise. I will place a hedge of protection around them according to the intensity of your prayers because I want them to come into the knowledge of the truth.”
