

Prophecy: Will America Survive the Purge?

God inspired retired firefighter Mark Taylor to rewrite World War II's D-Day speech to inspire troops of American believers as we enter a new war front.

"God is fixing to assemble the largest spiritual armada in the history of mankind," Taylor says. "It's an end-times assault he is going to launch from America."

But to do that, America must first survive what Taylor calls "the purge."

Take a look.
