

Prophetic Dream: America's Destruction Is Coming

For years, prophets and scholars have warned of America's demise if the country fails to repent.

New York Times best-selling author Rabbi Jonathan Cahn warned of a "great shaking" that would come in the fall of 2015 based on the biblical cycle known as the Shemitah.

All along, he said the shaking could be in the realm of economics, yet few listened. America continued to abort children, fight for gay rights and show disregard for the faith of its fathers.

Now, author John Shorey is sharing a prophetic dream T.D. Hale had.

"Let me tell you, God's judgment is going to come down like a hammer and people are going to realize it's time to repent, it's time to get back with God," Shorey says. "We keep forgetting that this is not our home. We're trying to make ourselves too comfortable on this planet."
