

Prophetic Vision: God Showed Me Treasures in the 4th-Dimension Vault

Editor's Note: This is part one of a three-part article. Find part two at [this link](#) and part three at [this link](#).

Not long ago, I had a supernatural vision in the courts of heaven. There was a great vault. Inside the vault were scrolls—great treasures. But the vault also had a lock that had to be opened and a chain around it that had to be cut.

I want to explain what I saw and what the Lord said so you can start healing from your past, embracing the process of taking small steps each day and unlocking your kingdom destiny.

Understanding the 4th Dimension

You may have heard me talk about the fourth dimension. In simplest terms, it deals with time and the spiritual realm. Because God is eternal, He doesn't see things happening as you and I do.

He is outside of time and space, so when we see into the fourth dimension in the spirit, we see things He sees. We acquire spiritual sight, identifying truths based not on time but on the reality of who God is and what He has stated.

Benefits of Operating in the 4th Dimension

Entering into and operating in the fourth dimension brings freedom and healing. It removes the fear time often causes.

In the fourth dimension, time is not a factor, so even if your memories or situations are hard to process in the here and now, the fourth dimension allows you to see beyond your past and present. It gives you eyes to see your situations and seasons from a perspective of what God is doing, not what you are going through.
