

Prophetic Warning of Another 9/11 Scale Attack Planned

A few months ago The Lord had me issue a warning called 'Shields Up' to pray for the protection of our nation. Tonight, while reading my Bible, the following passage leapt off the page:

"And He has confirmed His words which He spoke us and against our judges, and judged us, by bringing upon us a great disaster, for under the whole heaven such has never been done as was done in Jerusalem" (Dan. 9:12).

It does not take a prophet to realize that America is in trouble! We know there are many radical extremists who hate us—this is not new. However, as I read the verse this evening I was shaken by it. This is what I am hearing: "There is an another attack on the scale of 9/11 being planned!"

As I prayed to pinpoint how to intercede, I immediately heard these words: "Close the gates! All borders must be closed to terrorists and those who would aid them."

This includes all airport customs checkpoints as well as border crossings. We must pray for our customs and border agents to have eagle eyes to "see" any potential persons trying to make their way into the United States. We must also pray for all points of public transport.

The good news is that prayer works! This is a call upon every praying person everywhere to stand in the gap and pray for the protection of the nation.

Thank you for praying!

ministering not only to crowds of people but to heads of nations. Her first calling is and always will be prophetic intercession. Each year, she travels and has spoken on nearly every inhabited continent to tens of thousands. Yet in her heart is the memory that Jesus left the ninety-and-nine to go to the one. Generals International is an international church movement, reforming the nations of the world back to a biblical worldview. It achieves societal transformation through intercession and the prophetic. Jacobs has authored seven books and loves to travel and speak, but one of her favorite pastimes is spending time with her husband, Mike, and their children, Daniel and Mary Madison, along with her five adorable grandchildren.
