

Prophetic Word: 2022 / 5782

Is the Year of the End-Times Seal

In these end times, more than ever we should be seeking the Lord for direction and watching with the Lord in Spirit and in truth, as Bible prophecy unfolds before our eyes. We will give a brief glimpse of what we feel the Lord is revealing about what is on the horizon.

This new year seems to be strongly pointing to a time when God will be marking, sealing if you will, those with His seal, as in Ezekiel 9:3-4, 9. These Scriptures are referring to the angel dressed with linen with a writer's inkhorn in his hand. He will go forth and mark those that have the truth of God's Word in them, and that sigh and cry for all the abominations that are being done in the earth.

For God's people, it is especially important to turn back to their first love and pray for the nations to turn back to their original purposes, putting Him first place in everything. Judgment is coming, and it will begin at the house of the Lord! We are in a time of completion and a summing-up. Those who bear His seal, His mark, will be protected from the coming destruction. The Lord is saying "Awake, My bride; come out of Your slumber."

Stir up yourself in your most holy faith and arise as an eagle that stirs up its nest. It is the time to pray and watch in the Spirit of the Lord so that you are not consumed by the gross deception that has been released on the earth. We will behold every prophecy with our eyes as it unfolds before us. God-breathed revelation and light will be received by those who are seeking Him. The breath of God will also sustain us and give us strength, but we must contend for supernatural peace, putting on the full armor of God, understanding that the

sandals of peace are no regular sandals. They are as those of the Romans soldiers; they have spikes on the bottom to allow for them to dig in, sure-footed with the ability to press forward. This is what God is calling His church to do in this hour!

Just as with Abraham and Sarah's story, there was a moment in time that Abram and Sarai became Abraham and Sarah. They went from being just as other men and women to becoming the man and the woman who would bring forth God's purposes in the earth. There will be a grace on our lives like we've not experienced, and the work of the fivefold ministry will seem weightless and effortless due to His glory.

Just as there was an apparent favor, a distinct separation and a blessing of God on their lives, we too are to expect supernatural provision and supernatural protection. We are in the time of the double; there is a dueling double wherever you look, a stark contrast of good and evil.

The voice of the Son of God, our Lord Jesus Christ, will be heard afresh, and the saints will find ways to come into unity to release a new sound from heaven that will unlock His glory on the earth for all the eyes to see. {eoa}
