

Prophetic Word: Fill Your Horn With Oil and Go

This word is an invitation, not a condemnation. 5782 is the year pey bet. Pey means “the open mouth,” and bet means “the house, as in Bethlehem or Bethseda.”

The *Ruach HaKodesh* is about speak and breathe significantly through His church. The *ekklesia* of God is about to get her roar back!

Amid so much chaos in the world, God is about to send significant words into the house!

The church will receive such accurate words that it will forget all the trauma created by the mixture of soulish and spiritual words from the last season.

There will be a release of signs, wonders and miracles through His *ekklesia* into the world at the very same time God will be releasing healing throughout His body.

It will be the great and terrible day of the Lord because of everything that will be happening at the same time.

He will be releasing so much revelation right in the middle of great unrest! He is still speaking in parables. You must be tuned to the cadence of the Spirit to be led into some of the greatest victories the church has ever seen.

There has been a great shaking that has come to the church, and everything that could be shaken has been shaken. Get ready for great healing that is coming to the church. Then, at the same time the great shaking ends in the church, it will be ramp up in the world. The world will suffering greatly, and this will be the turning point.

The Spirit says, “Church, do not be dismayed when you see

things shift and confusion come, for even as I provided for the saints of old, I have even set up provision for my end-time church." These things must take place for the great shift to happen, for this fall will be the fulcrum of time. It will be used as a pivot point, for the turnaround season is here.

Do not be dismayed when you see governments topple and the great purging happens around the world. The Lord says, "They thought they were getting away with it, but I, the Lord, say to you this day that I am causing even the high places to be toppled and the demonic strongholds that stood even as the king of the north to come down. Everything will shift, and the harlot will no longer be ruling from the north! That stronghold of control, manipulation and perversion shall come down."

We Will Feast Because of Our Enemies

First Kings 17:3-4 (NKJV) says, "Get away from here and turn eastward, and hide by the Brook Cherith, which flows into the Jordan. And it will be that you shall drink from the brook, and I have commanded the ravens to feed you there."

Obedience and an ear to the Spirit will cause supernatural provision in this season from the very table of your enemy. Provisions will come, even like it did for Elijah, right from the table of the enemy.

Elijah prophesied about the drought. When the drought began to affect him, God instructed him to get up and go to the brook Cherith, where He was sending the ravens.

The only place that was not suffering from the drought was the table of one of the greatest symbolic enemies of God's chosen people: Jezebel.

We Will Feast on Our Enemies

Mark 1:6 says, "Now John was clothed with camel's hair and

with a leather belt around his waist, and he ate locusts and wild honey.”

The greatest of all men born under the Old Covenant, John, kept strong by eating locusts and wild honey.

John and all who carry the Spirit of Elijah and are preparing the way of the Lord feast on their enemies. John was eating the very thing that would typically destroy the harvests: locusts. Part of John’s sustenance was to eat the thing that would try to eat his lunch.

John also was energized by eating wild honey. “Wild” in Greek, *agrios*, means “local.” Honey has been known to represent revelation. Something that gives prophetic people strength on a regular basis is getting revelation from their promised lands.

As we position ourselves to receive the greater grace because of the evil of the day, and as we receive real-time revelation in our place of obedience, we will be strengthened for this season!

We Will Feast for Our Enemies

Psalms 23:5a says, “You prepare a table before me in the presence of my enemies.”

We don’t just feast on what the enemy is causing us to tap into, His greater grace, but we are feasting for our enemies.

Your enemy is never mankind, so we feast for all the people who are being used by the enemy to try to accomplish his diabolical plans. You have the great privilege of being placed in the middle of chaos to bring forth order and release grace and mercy to all those saying all manner of evil against you! Don’t automatically try to get out of these uncomfortable positions. Take into account that God may have placed you there because He is trusting you to minister someone just

missing the mark. You could be the pivot piece (or peace) that will shift the day.

We Will Take the Positions of Our Enemies

Isaiah 61:6 (AMPC) says, "But you shall be called the priests of the Lord; people will speak of you as the ministers of our God. You shall eat the wealth of the nations, and the glory [once that of your captors] shall be yours."

The glory once that of your captors is now yours. The shift through the shaking will turn the place of prominence over to and into the hands of the righteous!

Their places, prominence and platforms in which they used to rule over you in the last season is now yours and has been yours for about 2,000 years, but now is the *kairos* time for you to receive these—not just in the heavenly places but the physical and soulful realm as well.

The Lord says, "Get ready! Get ready for I AM coming.

"Ready or not I come!" says the Lord. "Ready or not I come; 5782, here I come!

"I shall walk through the house. I shall come through the house," says the Lord. "I shall come with more of Me than you've ever seen. I shall come in signs, wonders and miracles. I shall come with grace and mercy. I shall come with power, but My *ekklesia* must be getting oiled up now!"

The Lord says, "It's time to receive the oil." The wise virgins are receiving the oil, while the foolish are being stupid and dull, shutting their mouths.

The Lord says: "Call on My oil. I shall come like has never been seen through the open door of my readied *ekklesia*."

Those who are not ready will be blown away, for indeed this shall be the great and mighty, the great and terrible mighty

day of the Lord.

As the shaking, which first hit the church but will soon rattle the world, continues, “I will cause even the coffers and treasuries to be turned over to the kingdom of God in this season. Get ready for I shall do great signs and wonders for those who are ready,” says the Lord.

In 1 Samuel 16:1, the Lord asks Samuel, “How long will you mourn for Saul?” How long will you mourn for past kings of your life? How long will you mourn for the way things used be?

Fill Your Horn With Oil and Go

The horn represents power and authority. Whenever you see the horn represented in the Bible, it represents your strength. Saul was anointed with a flask of human hands; David was anointed with a horn from the nature of God.

The Lord is saying it's time for fathers and mothers of the faith to arise and strengthen themselves and fill their horns with oil and anoint the next kings!

Your deliverance, prophetic people, is to fill your horn with oil and go and anoint the next kings who will usher in the glory and rule and reign of our Majesty the King, the Lord Jesus. {eo}
