

Prophetic Word for September: 'Acceleration, Impartation, Manifestation'

Just a few days ago, I woke up very early and went into our prayer room in our house and began to pray. I knew the Lord has something to speak to me. I prayed for several hours and the Lord spoke this word to me, "aim". I knew that this was a prophetic word for September. September is the beginning of the new year on the Hebrew calendar. The Lord then spoke this to me, "acceleration, impartation, manifestation". These three words first letters spell out the word "aim." This revelation hit me so strongly, and I knew that what the Lord was saying was that most people have never aimed themselves straight toward the things that God has for them. In order for people to fully step into all that God has for them in the month of September, they must move into extreme acceleration. What is the fastest way to move from point A to point B? A straight line. When you shift into extreme acceleration with straight lined focus you will hit your target.

The "a" in aim is "acceleration." The Lord recently showed me a prophetic vision of a road nearby my house. It is a straight stretch of road for about 125 miles, but right before you merge onto it there is a large curve. There are many believers who are taking their last curve in the spirit before they hit that straight stretch of open road. When you are on a straight road, you can see miles and miles ahead of you. God is giving His people the ability to see years and years down the road as they aim themselves straight ahead and accelerate. Many have been stuck just trying to find their way through their day-to-day life but in this season, the Lord is bringing clarity to what people are putting their hands to and toward their future. Clear focus is important during this season because God is showing us where to aim our energy, gifts, time,

prayers, finances and effort. Aim your life and focus on what God is calling you to do.

The second word the Lord spoke to me was "impartation," the "i" in "aim." Many times we have a vague direction of where God is leading us but until you receive that big, life-altering impartation, your true destiny will not be revealed. God is releasing key impartation of insight, wisdom and fresh revelation from the Word of God. You may have read the same Scripture hundreds of times, but then it hits your spirit and you receive an impartation from it. There is a powerful impartation coming from the Lord in this season.

The third and final word the Lord spoke to me was manifestation which is the "m" in "aim." You will see a manifestation of the promises of God over your life in September. Some of you have grown tired and weary and feel like giving up, but I want to encourage you today, get full of God, get around the right people who will encourage you and aim your life towards the promises God has spoken over your life. Manifestation is coming to those promises! It is always tempting to break down when you've been praying and believing for a long time, but so many break right before they get their breakthrough. I feel that many are just one step away from the biggest breakthrough of their life.

God is saying, "Aim toward toward the direction I have called you to and I will bring the acceleration, impartation and manifestation." The Lord showed me a vision of many angels with arrows in their hands. The Lord was saying, "The arrows are My people. When they point their lives straight, they will be shot straight into their destiny." Position yourself to be used mightily by God. Acceleration is coming like we have never experienced before. Impartation that far surpasses anything we've ever had before is being released and the manifestation of promises coming to pass are so close and are already happening. Right now in the body of Christ, this is a key season for God's people to get ready. The word "aim" is a

word for you. Acceleration, impartation and manifestation is your portion in this season. {eoa}
