

Prophetic Word: 'It's Time to Start Kicking the Doors Open'

Are you fed up with getting run over? Do you need doors to open for you? If so, the Lord gave me a major word today that is for you. It's about the fighting fierceness He wants to deposit in you, His people.

I heard the Spirit of God say: "It's time for you to stop waiting for doors to open for you, and start kicking the doors open.

"Doors have no will of their own. They cannot exert any effort. They only respond to the efforts released against them. Doors open if they are pushed, and they close if they are pushed.

"I still need you to trust Me to protect you from doors that should not be opened to you. I need you to ask Me to close doors for you that should be closed. Aside from that, however, I need and want you to start pushing on doors. Push on every door and trust Me to close the doors that are not My will for you. I mean, push on every door. *Every one*. Knock, and the doors shall be opened to you.

"Some of you are mad at Me because I haven't been opening doors for you, but I tell you in Scripture that you are supposed to kick doors down (Luke 18:1-8). I tell you again today: Kick those doors down. Kick them open.

"Doors will open to you if you exert force on them. You can defeat any power of the enemy if you just push harder than he does. When you start pushing on a door, all the enemy can do is stand behind that door and try to push against you. But greater is He—Me—that is in you than he who is in the world!

"The enemy cannot overwhelm you. The enemy cannot out-push you

if you will rise up and call him vanquished. The enemy cannot beat you when you walk in the power of My Spirit.

Speak to Your Doors

“Heaven belongs to Me, but on the earth I have delegated authority to the children of men. You have authority over every door. You have authority over every gate. You have authority over the doors that no man can open and over the doors no man can shut. When you speak to those gates, they shall move in My name!

“So, I tell you today: ‘Speak to the doors of the nations and command them to open, and they shall open! Speak to the doors and gates of opportunity that I desire for you, and command them to open wide for you! Speak to the gateways of every relationship I have for you, and those relationships shall come forth! Open your mouth and *speak*!

“When you command a thing, it shall be established. When you fast and pray and declare and decree, the things you speak shall be established.

“Open your mouth and exercise your faith in Me. Exercise your faith in My Word. Declare and decree that the gates you have been promised are open to you. Gates of:

- Divinely-appointed opportunities.
- Divinely-appointed marriage and friendships.
- Divinely-ordained business.
- Publications that will broadcast and publish My Word through you.
- People whom I have prompted to invite you to speak.
- Streams of income that I have placed in your heart in embryo form.
- Nations that I desire to open to you.

“I have so much for you! I want you to see it! I desire that you should come up to My level. As I commanded My servant

John, 'Come up here, and I will show you things to come!' Come up here! Come up higher! Rise up and come up and lift up and see!

Think Bigger!

"Your vision is too small. Your spectrum is too limited. Why can't you be the one that changes the world in your generation? You can! Why can't you be the one I use most on the face of the entire earth? You can! Why can't you shake the heavens and the earth? You can! And I desire you to be that one!

"Rise up with your level of faith. Come up to see from heaven's perspective. The old ways are not working anymore. Indeed, I have ordained a new path and a new way! Behold, I do a new thing; does not My Word tell you so? You have been seeking the old way, but I am done with the old way! The new way is better. The new way is higher.

"My sons of thunder and daughters of grace are going forth on the earth. In this hour, the men will rise up with the backbone I have always ordained for them. The daughters will walk in the grace and strength I have always provided to them. Both men and women, equally, shall shout forth My Word and proclaim it from the housetops over the whole earth.

"But this would not be possible without a new way. This would not be possible without new methods, new ways of doing things, new courage, new commitments. This going forth of My Word is only possible when you come up higher and let Me show you things to come.

A Billy Sunday Generation

"The mantle of Billy Sunday is coming upon those alive on the earth. I am raising up a spiritual generation of believers who are against sin. I am raising up this generation of My people who will kick and pound down the doors and gates of hell. As

long as they have a foot, as long as they have a tooth, as long as they have breath in their bodies, this generation will fight.

“I want you to be part of My Billy Sunday generation. You don’t need to be fancy. You don’t need to be professional at anything. It’s OK if you are, but you can be just as you are and still participate in My fighting anointing.

“I want you to be a scrapper. I want you to be salty. You are the salt of the earth, but too much of the salt on the earth has lost its savor. When the savor comes back to the salt, people cringe. You will make enemies, but no matter. I am putting the fight back in you. I am putting the spirit back in your bones. I am bringing you back into fighting position, and you’re going to kick down the gates of the enemy. So rise up, beloved! Rise up and come away!

“Let Me plant My fierceness back in your belly. Ask Me to give you the Billy Sunday anointing. Let Me make you mad with My righteous anger about everything that angers Me. Let Me give you the anointing to fight, to wage war and to win. Let Me make you My salt carrier on the earth. After that, you will be able to rise up and kick down the doors!”

Hallelujah! If you receive this word, stop right now and pray through it. Ask the Lord to give you this fighting anointing, and go ahead and prophesy to all the doors you need Him to open for you. {eoa}
