

Prophetic Word: Nothing Will Remain Hidden

During the very early morning hours of Friday, somewhere between the third watch (12 a.m. to 3 a.m.) and the fourth watch (3 a.m. to 6 a.m.), the Lord showed me a massive chessboard, or something similar, in the heavenly realm.

What the Lord showed me I cannot say or repeat completely; however, just know the Lord has come to bring the sword, not make peace. I repeat, this is an hour where the sword of the Lord is decapitating principalities by way of full and complete exposure. Nothing will remain hidden in this hour. No matter how good a person believes he or she has been or is—the Lord measures a person's righteousness on scales of justice that no man can understand. The many layers being exposed across the globe are part of His preordained plan.

The Lord showed me five specific people in black robes; four were men and one was a woman. I saw their figures, then heard their names. We are to pray specifically for the following individuals: Justice Clarence Thomas, Justice Samuel Alito, Justice Neil Gorsuch, Justice Brett Kavanaugh and Justice Amy Coney Barrett.

Then we are to begin praying for the righteous members of the 116th United States Congress, specifically the House of Representatives. This session of Congress convened in Washington, D.C., on Jan. 3, 2019, and will end on Jan. 3, 2021. Then pray for those who will take their seats in the 117th United States Congress which begins on Jan. 3, 2021, and ends on Jan. 3, 2023.

Finally, my husband and I prayed the moment he awoke and I shared with him what happened in the early morning. We covered in prayer these five justices in the shed blood of Jesus

Christ of Nazareth. It's very important that when mentioning the blood of Jesus Christ you identify it as "the shed blood of Jesus."

We prayed the same for each righteous member of the House of Representatives: that they may have clear thoughts, understanding and speech with no confusion upon their lips. We specifically asked for a network of warrior angels to be on guard for each of them as they go throughout their day-to-day assignments in the nation's capital.

Finally, we petitioned the sovereign Lord to place a marking upon each of their foreheads as a hedge of protection for His own people as a means of separation while the sickle sweeps this earth. {eoa}
