

Prophetic Word: The Democratic Party Shall Not Stand

Recently, I was watching Steve Bannon's *War Room: Pandemic*, and I heard him say something that seemed unusually prophetic. He said, "We are going to take down the Democratic Party until there is not a single one of them left."

When I heard it, it was like being hit by a nuclear truth bomb. Part of operating in the prophetic is being able to hear a statement about the future, no matter what the source is, and discern whether it is truth or not. If stones can cry out and donkeys can see angels, then we must use our discernment gifts when processing information about the future from seemingly unspiritual sources.

Could it be that God is rearranging our system of democracy, a system that has been dominated by two parties for 168 years? Jesus said to His disciples, "*Do you think I came to bring peace on earth? No, I tell you, but division*" (Luke 12:51, NIV). Because the nations belong to Jesus, they will always be undergoing a purifying process with God separating what is holy from what is sinful. This separation is a kingdom principle that is unmatched.

Every time there is a new nation, culture or society, the people who live by the truth will gather together, and those who build their house on the sand will continue to repair each other's houses until they run out of nails. It is inevitable—we see it throughout world history and throughout Scripture. God separates the wheat from the tares, the good stewards from the wicked, and goat nations from sheep nations. Now we are seeing it on the state level, and even among cities.

I heard the Lord say, "Now is the opportunity to bring a red wave of truth onto the dilapidating house of the Democratic Party so that it will never stand again."

Now I'm not saying that the Republican Party is holy or anything, but the Democratic Party has been the perpetrator of abortion for decades, has intentionally promoted sexual perversion on a level never seen before in our nation, and now wants to appoint someone who is lenient on pedophiles and can't define what a woman is. God wishes that no one will perish, but there are still term limits on His grace.

The Lord is saying that the opportunity for redemption has run out on the Democratic Party, and He has made a decree that they are finished. But just like everything else, we are His hands and feet, and we are called to fulfill His will. With prophecy comes wisdom to carry out the prophetic word, so I have made a list of three practical steps that you can take to prepare your heart to respond to this direction from the Lord.

1. **Do not be intimidated.** Like a rabid raccoon being trapped in a cage, demonic principalities will bite, claw and scream while they are being bound in chains of darkness. Expect there to be the greatest level of slander and intimidation from the left-wing media and maybe even your friends and family than ever before, but don't back down. Loving your neighbor means removing the people who are trying to destroy them with perverse ideology and vile practices. "These are the things which you should do: speak the truth to one another; judge with truth and judgment for peace in your gates" (Zech. 8:16, NASB).
2. **Expose darkness.** The blood of Jesus only covers the sins of those who believe in the blood, and He becomes a stumbling block to all those who don't. There are still so many people who have been inundated by the lies of the media, and they don't even know the extent to which

the Democratic Party has gone to bring destruction to our nation. Regardless of censorship and intimidation, we must convince everyone that the Democratic Party is the primary source of destruction in our nation and they must all be voted out so we can create a new, more purified two-party system. "But their evil intentions will be exposed when the light shines on them" (Eph. 5:13, NLT).

- 3. Hold fast to what is true.** If you are in Christ Jesus, then you have the Spirit of truth that is alive and active in your mind. I heard the Lord say, "Now more than ever do you need the Spirit of truth." Information travels so fast that lies always make it to your ears before the truth does. Liars are impatient and demand viewership, so they will always force on you what they want you to think before the truth is established. We must not respond emotionally when we hear a new narrative about anyone or anything. God is asking us to take every piece of information to Him and ask Him, "Is this true?" Then we let the Holy Spirit lead us when doing research on the facts.

God loves authoritative structure so long as it is for the benefit of His people. If we are going to see a renewal take place in our land, then the corrupt leadership, which the grace of God flows down from, must be purified. "The spiritual did not come first, but the natural, and after that the spiritual" (1 Cor. 15:46, NIV). {eoa}
