

Prophetic Word: Vaccine Mandates and Job Loss

We should always be willing to take prophetic words to the Lord in prayer to receive personal confirmation. Since the word I'm about to share is about provision, I believe it is especially important that I mention this.

Many Christians and U.S. citizens in general have recently made or are making the decision to forfeit their jobs. The reason is well known. For various reasons, people have not complied with the vaccine mandates, which are affecting more and more areas of industry in the U.S. economy and around the world.

The Holy Spirit began to speak a powerful and encouraging word to me about this job crisis on Oct. 28, 2021. He said, "Tell My people to start the businesses—the new ideas and new companies. There's a grace on this time for starting afresh—starting over and growing quickly. Don't doubt My ability to do through you what you could not do for yourself."

I wrote this down and continued to wait upon the Lord. Then I heard that there would be a fresh grace—an empowerment released to help believers to overcome during this season of trial. He said, "I'm fixing the legal structure so this works. I'm going to do what I said I will do. I will not abandon My people."

As I said already, I encourage you to wait upon the Lord about this word and see what the Holy Spirit has to say personally to you about it. As I prayed about this word myself, I received a simple impression to encourage you to not stop until you get a personal word from the Lord about your situation. You can go a lot further with one word from the Lord than you can with a thousand words from people.

I have seen God supernaturally provide for my family time after time, and I know the same gracious God wants to provide for you. If you want to hear some of the stories of supernatural provision I've experienced, I share some on my YouTube channel, but I've also written about many in my book, *Stop Worrying*.

Holy Spirit, I ask that You give every person reading an abundant amount of peace about their job situations. Help them to fully surrender to Your ability to provide. Comfort them in the trial and give them the wisdom and revelation they need from Your spirit to take the next step in faith. Thank you for fresh ideas and inspiration. Thank you for favor and provision as they follow Your leading in Jesus' name. Amen. {eo}
