

Rabbi Teaches How to Record, Interpret Your God-Given Dreams, Prophecies

Rabbi Kirt A. Schneider will release *The Mystery of Dreams: A Teaching and Journaling Experience* (April 7, 2020) to help readers hear and understand God through dreams, visions and prophecy.

Schneider speaks from his own experience of coming to Christ through a vision. Having attended synagogue on holy days, studied at Hebrew school and been bar mitzvahed at 13, Schneider knew little about Yeshua. But at 20 years old he was awakened from sleep at 3:30 in the morning to a vision of Jesus. He saw a ray of light fall on Jesus' head, and he knew God was saying to him, "Jesus is the way to Me." The vision changed his life.

"No one has to convince me that God still speaks to people today in their dreams. I am a walking, living example of how He continues to communicate with His children. Mine was a completely natural encounter with our supernatural God," he says.

The Mystery of Dreams shows through personal as well as biblical examples how God imparts revelation to His people through dreams today. Readers can learn how to do the following:

- Be directed by God toward the right path.
- Be encouraged about their purpose.
- Be warned about their future.
- Be launched into their destiny.

Schneider warns readers that the enemy uses dreams to distract and harass Christians. He provides the following three keys to help readers know whether or not a dream is from God:

1. Does the dream line up with God's Word?
2. Does the dream resonate with your spirit?
3. Have you received confirmation of the dream?

"Ask God to protect your mind and soul as you sleep, and to guard you from demonic dreams. I have found that when I pray this before I fall asleep, I am better able to ascertain whether or not a dream I have is from God," Schneider says.

The Mystery of Dreams guides readers through recording and interpreting their God-given dreams and visions. {eo}
