–“Beautiful book! ... Be thoroughly amazed, captivated, enthralled, and blown away by this incredible book. Jonathan Cahn shines a light on the ‘Book of Jubilees’ mysteries, and presents a glorious tapestry woven through with rich beautiful colors of history, glittering golden threads of scriptural prophecies, real historical people, and much more than amazing coincidences. Prophecies have been and still are mysteriously unfolding and even now affecting all our lives. You’ll never think of Mark Twain or Samuel Clemens the same again, and many others. God is very powerful and so good and extremely alive! There is restoration, hope, joy, and revelation. Blanks are filled in that have been left blank too long! Dots are connected and the bigger picture emerges. One feels lifted up to see the forest from the tree[s].”
