

Real Hope for a Marriage on the Rocks

What can you do when you're at the end of your rope, when you've tried everything to get your marriage back on track and nothing is working? Giving up might seem like your only option.

That was the experience of Hans and Star Molegraaf. After only a few years of marriage, things seemed absolutely hopeless. But that's often the point when God gets to do what only He can do.

We encourage you to listen to their amazing story of how God did a miraculous work of restoration in their lives. We have loved getting to know Hans and Star. Their story inspired us as nothing we have ever heard before. We hope it will do the same for you.
