

Reap the Benefits of Being in Alignment With God

James 5:4 (ESV) says, “Behold, the wages of the laborers who mowed your fields, which you kept back by fraud, are crying out against you, and the cries of the harvesters have reached the ears of the Lord of hosts.”

The New Living Translation reads: “For listen! Hear the cries of the field workers whom you have cheated of their pay. The cries of those who harvest your fields have reached the ears of the Lord of Heaven’s Armies.”

Understanding and accepting our responsibility allows us to step into alignment with God for Him to transfer wealth to us.

Today, I want to discuss the supernatural aspect of what God is releasing during this season. As I have been studying the topic of wealth transfer, I am reminded that our God is just, and He is good. The verse above is an example of the justice of God.

I believe the Lord has seen some of the injustice done to not only His children but to all those who are voiceless.

Many people have worked so hard, but oppressive systems have made it very difficult for some to break the cycle of poverty over their families.

I believe God has heard the cries of the “field workers” and, throughout the next several years, will honor their faithfulness during despair.

I believe some of this transfer of wealth will come in the form of back pay, but I also believe God is giving individuals creative ideas to take what was theirs to begin with and to step into wealth.

This is the question you must consider: “What will I do as God begins to bring ideas and inventions that empower me to step into wealth?”

Ask yourself: “If I had \$1,000; \$10,000 and \$100,000, what would I do with it? Who would I bless?”

The issue is not that God will not do it. But will we be prepared to receive our wealth transfer when he does? And will we be good stewards, so we can multiply His kingdom?

Here are some ways to make sure you are aligned to receive the back pay:

- Love the Lord your God with your heart, soul and mind.
- Uncover your purpose and calling, and begin to walk in it.
- Find a place to serve and use the gifts God has given you.

As we honor God with what we have, I believe He is going to honor us with what He has. This is the season of the great wealth transfer, and we cannot wait to see all God will do.
