

Rebuking the Enemy's Warfare Against Your Prophecies

I've been discouraged many times over my life with prophetic words that have been delayed. I thought some would never come to pass. I'm sure you, too, have been frustrated and have thought, *Is this ever going to happen?*

Warfare is waged when the prophetic word is spoken out. In those moments of releasing prophecy, the devil and his cohorts hear the prophetic assignment and begin orchestrating spiritual warfare attacks. How do we prevent these spiritual warfare attacks from going forth? How can we manifest our prophecies? Do you know the difference between true, false and soulish prophecies?

In this episode, Kathy will teach on the prophetic and have you walking and releasing your prophetic destiny. Three years ago, she had most of her prophetic words called forth and had to ask the Lord for more prophetic words. Learn how she did it and how you can do it too through her new online e-course school in the prophetic. For a free preview and course outline, [click here](#).
