

Recognizing God's Supernatural Power Inside You

Others around you will recognize when you walk in the supernatural power of God, and they will seek you out. I was sitting down listening to one of the local pastors at an outdoor evangelistic campaign, and a lady in a nearby house saw me sitting on the bench and sent for me to come and pray for her. When I arrived at her house, she shared with me that she was in great pain and had been unable to urinate all day. She wanted me to pray for her. I placed my hands upon her and rebuked all infection, swelling and kidney stones, and the woman went flying to relieve her bladder.

This is a natural walk in the way of the supernatural. The Spirit of God waits to release His power through us, to deliver those who are bound to Satan, to release divine healing to those who are suffering from the devil's wicked works, to give a prophetic word to those who are seeking direction and needing encouragement and to help those who are spiritually lost find their way to the saving knowledge of Jesus Christ.

Since God is fully aware of the times we now live in and the condition of the hardened hearts of the people toward the Lord and His ways, He has supernaturally equipped us with a power that is greater than any magic this world has ever known. It is the supernatural power of faith. This faith will outshine anything we face. {eo}
