

Redditor: Clintons' Connection to Laura Silsby Discovered?

Democratic presidential nominee Hillary Clinton's campaign already had the headache of her husband's close friendship with convicted sex offender and child sex trafficker Jeffrey Epstein.

Now it appears they may have a problem created by their own candidate.

A user of the social media website Reddit who backs Republican presidential nominee Donald Trump claims to have unearthed evidence that connects Hillary Clinton to convicted child abductor Laura Silsby. The thread was started by Redditor "PleadingtheYiff," who wrote:

The individual in question is one Laura Silsby, former director of The New Life Children's Refuge. She was caught trying to steal 33 children from the country, most of whom were not even orphans and had families.

Hillary has a LONG history of interest in Ms. Silsby. Wikileaks emails dating back till at least 2001 have been found in her archives discussing Laura's NGO. Laura had claimed she planned to build an orphanage in the Dominican Republic, but authorities in the country said she never submitted an application for this purpose. They instead located to Haiti.

Sources:

Huma Abedin was constantly forwarding Hillary articles on this woman's organization:

One of the first things Hillary did when she took over the scene in Haiti was **to get Laura off the hook**:

And the attorney who represented Laura Silsby? A man who was himself convicted as a sex trafficker:

Even more disturbing, we uncovered an email in Wikileaks where they are literally pricing how much it costs to transport children:

Again, this was the same group that got busted by Haitian Authorities trying to Traffic kids.

They're in the Clinton Emails:

Pitch for funding or some [expletive], super sketchy.

This looks like Mills & co are drafting statements following extradition.

Help me research!!! There are surely more emails to be found in Wikileaks on this! If we can connect the Clintons to a child abductor their campaign is DONE!!!

EDIT: Wanted to add this email showing HRC contacting a lawyer regarding the 10 people who were arrested for their roles in this kidnapping case, thanks /u/Look_See_Think for bringing me this:
