

Release Miraculous Healing With This Isaiah 53 Truth

I recently prayed with a woman who suffered from kidney disease. Her kidneys were very sick and did not function properly. I released the prayer of faith into her kidneys and commanded them to be healed and to function properly in the name of Jesus. With tear-filled eyes, she shared with me the next day that her kidneys were functioning, and she was having to use the restroom all day. Glory to God. This is a wonderful testimony of what happens when two or more will agree together in the name of the Lord and release the healing power of the Holy Spirit with a prayer of faith.

Why am I sharing this and other testimonies with you? To build up your faith in the healing power of the Lord so you can receive healing into your own body and then release it into others around you.

It is time to move forward in the healing power of the Holy Spirit and release those that are suffering from the wiles of the devil and usher them into the kingdom of God. Time is very short, and we do not have time to waste with words of unbelief and doubt. And while I am at it, let me tell you the truth: All your whining, crying and begging does not move God. Only faith is pleasing to Him, and when you release prayers, words filled with faith, you get His attention. And because His word prophesies that faith can move mountains, so too, your words of faith will cause those stubborn mountains of sickness and disease to move away from you as well.

Jesus said to them, "Because of your unbelief. For truly I say to you, if you have faith as a grain of mustard seed, you will say to this mountain, 'Move from here to there,' and it will move. And nothing will be impossible for you'" (Matt. 17:20).

This means you have a part to play in your healing. Jesus did His part when He shed His healing blood for you at the whipping post in Isaiah 53:4-5. Now, you are responsible to believe and activate your faith with your words and your actions.

Be brave and bold in the power of the blood, knowing you possess healing power in your faith-filled words. Proverbs 18:21 tells us that there is the power of life and death in the words we speak. Learn to pray in faith, speak words that line up with faith and cause those mountains of sickness and disease to fall for God's glory and for your good pleasure.
