

Response

We call God by so many names, and artist Phil Wickham “shouts” the name *Yahweh* in his single “At Your Name,” featured on his new CD, *Response* (releasing Oct. 4). It is Wickham’s prayer that whoever hears his song is both inspired to worship God and reminded of His greatness. Wickham’s 2009 album *Heaven & Earth* climbed to No. 4 on the *Billboard* U.S. Christian Albums chart.
