

Revivalist Discusses Transformational Miracle and the Power in Total Surrender

It was a dark and lonely night. Jamie was suffering from depression, alcoholism and agoraphobia, and she was at the end of her rope. Severe anguish triggered her to cry out to a God she did not know. In one moment of time, desperation met divine intervention. God became real.

Dr. Jamie Morgan is a walking miracle. She was instantaneously delivered. Now, she pastors a church, authors books, preaches revival and hosts an international podcast. How did she go from unbeliever to a vessel filled with the Holy Spirit, preaching to the masses? The short answer—surrender. Merriam Webster defines surrender as “to give (oneself) over to something or to give (oneself) up into the power of another.”

Dr. Morgan shares that each day she humbled herself unto the Lord and wanted His best for her life. She was so thankful and grateful for what God had done for her that she knew nothing was impossible with Him. As time went on, His anointing and power grew within her. “I needed to learn so many lessons. I couldn’t skip steps to move ahead quicker,” Dr. Morgan claims.

The Lord is looking for people who will completely abandon themselves to His will for such a time as this. Do you want to see change? Then be the catalyst and completely surrender to the Lord’s will and ways. “We cannot do things for a role, title or recognition. We work for God.” Dr. Morgan shares multiple insights to encourage and release you to say the next yes to the Lord. Be prepared for the flame within to be ignited.
