

Rick Joyner: It's No Accident the GOP Debate Was Right Before 11/11

Rick Joyner aligned the most recent GOP debate date with the prophecy in Isaiah 11.

"I think it's a message from God, and it is an important one," the prophetic voice said during *Prophetic Perspectives With Rick Joyner*. "Isaiah 11:11 speaks of another chance. It's where He says He will restore Israel to their land a second time."

Even though we make repeated mistakes, God doesn't give up on us, Joyner says.

The same applies to politicians. [Click here](#) to watch the video to see why.
