

Rick Joyner Offers Prophetic Insight Into America's Spiritual Climate

Discipline. Focus. Wise strategies. The army of God needs to revamp its training if it wants to march to victory in modern-day America.

"I know many Christians believe we are just on retreat in every area," Rick Joyner says. "And I think that's true, that's an accurate assessment, but things will change.

"During the times of greatest darkness that the Lord raised up the greatest prophets, had the greatest revivals in history."

To get there, however, we need to understand what the Lord is doing right now. [Click here](#) to watch the video to see what it is.
