

Rick Joyner Offers Prophetic Insight on How to Prepare for the Downfall of the Economy

From the rise of Obamacare to the killing of small businesses in America, prophetic voice Rick Joyner is weighing in on the prophetic significance of our rapidly changing environment.

“Just over the last few weeks, incredible things have happened that we need to understand to be prepared for these times,” Joyner says in a recent episode of *Prophetic Perspective With Rick Joyner*.

Take the rapid shifts of the economy, the constant political strife both within the United States and outside. As believers, we must look for the spiritual significance.
