

Righteous Seed

But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged around his neck, and that he were drowned in the depth of the sea. **—Matthew 18:6**

God made a covenant with Abraham and pronounced a multitude of blessings upon him. Why? Because God knew Abraham would raise his children in the fear and admonition of the Lord.

Abraham became the father of many nations, and the entire earth has been blessed through his seed. You are engrafted into the family of Abraham and are blessed because of his righteous seed.

Our children are our righteous seed, and Satan is after them. He has turned our public schools into cesspools of godless propaganda where God is publicly mocked and reviled.

It is time to take a stand against the devil. The blood-bought saints of God must rescue this generation with the blood of Jesus, with the Word of God, and with prayer. Pray a hedge of protection around the children in your life.

What stand is Christ calling you to make in Your family, at work, in church, and in your community? Are you will to stand up for Jesus no matter what the cost?

**Jesus, give me the courage to stand firm
on Your truth. Guide me in raising my
children in the fear of God. Protect
my children and family from
every attack. Amen.**
