

Robby Dawkins Teaches You to Do What Jesus Did

I am committed to living a supernatural lifestyle of power. There is no better way to live than to walk in the power, love and fruit of the Holy Spirit.

With a team of people in the Virginia Beach, Virginia, area, we pray at hospitals and go in public prophesying over baristas, waiters and pretty much anybody the Lord opens up the conversation with.

The regional team I am part of, Firestorm United, just hosted power evangelist Robby Dawkins for his supernatural seminar. Christian Embassy in Virginia Beach graciously made themselves available for us as we saw many lives changed and transformed. People were equipped to do what Jesus did, going out in power to their community.

My 11-year-old daughter was touched by the power of God at the first sessions. She trembled under the anointing of the Spirit as I held her and her twin brother in my arms. It was a tender moment. She told me she wanted to go to every training session with me. It is so special when we see God touch our kids with His power!

My daughter was with me when I interviewed Robby for my podcast, *Adventures in the Spirit with Jared Laskey*, on June 28. Robby shared how God got his attention and led him into power evangelism.

It was a great conversation full of deep insights and great testimonies of God working through his life and ministry. Please listen in, subscribe, rate, review and share this episode you don't want to miss. {eoa}
