

Robert Tebow, Father of NFL Star Tim Tebow, Has Died: 'A Hero of the Faith'

Robert Tebow, a Baptist missionary to the Philippines and the father of NFL star Tim Tebow, has died at 78. The elder Tebow's passing comes after a years-long battle with Parkinson's disease.

Tim Tebow shared news of his father's death in a Facebook post published Friday, describing his dad as "a hero of the faith" who "was welcomed home last night."
