

Roma Downey and Mark Burnett Personally Invite Charisma Readers to Watch A.D.

This week's episode of *A.D. The Bible Continues* (Sunday, May 24, 9/8c) will cover one of the most significant and pivotal events in the book of Acts—the conversion of the persecutor, Saul of Tarsus. While travelling on the road to Damascus to persecute Christians, Saul has a life-changing vision and encounter with Jesus that eventually leads to his sudden “turning point” and newly-found ministry as Paul The Apostle (one of the most influential figures in Biblical history).

By integrating dramatic history, Episode 8 tells the full story of this New Testament record of the conversion (Acts 9) from Saul's point of view—an event that is an important element of Christian history as it shows the Lord's plan for human redemption.
