

# Sandi Patty Christmas LIVE

 By Sandi Patty | Stylos Records

There is something special about a live performance. Add Christmas music, a choir, symphony and Sandi Patty, and you've got a magnificent combination to help usher in the season.

Patty is back with her first live project in almost 10 years. *Sandi Patty Christmas LIVE* CD/DVD showcases the singer's most recognizable holiday anthems such as "Angels We Have Heard on High" and "Joyful, Joyful We Adore Thee" as well as her original rendition of "O Holy Night."
