

Shocking 2011 Kim Clement Prophecy Pinpoints What's Happening Right Now

Though Kim Clement died just days after the 2016 election, the prophetic musician received words years before that about the coming political season.

"I see a president that shall come, and this is not to speak bad about [Barack Obama], but there is a president who will come, and God says he will have absolutely no fear," Clement says in a prophecy dated 2011.

The word is one of several Clement's daughter posted from 2007 to 2014.

"He will be decisive, make decisions. And in the middle of the restoration of America rapidly because of a source of energy that shall come quickly and because of illegal breakthroughs and agreements between nations, specifically China. God said they shall say, 'We never dreamed this would happen.'"
