

Shocking Stories That Received Virtually No Press

Thousands and thousands and thousands of illegal immigrants commit crimes in the United States only to escape scot-free, *Revelation in the News* host Zach Drew says. Yet most outlets completely ignore the story.

“I had absolutely no idea the enormous situation that is taking place,” Drew says in a recent video. “That the Department of Homeland Security is actually doing a very, very horrible horrible job at keeping the homeland secure.”

Watch the video to see the details.
