

Silly Little Thing Called Love

 Big Idea | \$

It's all about love on the latest VeggieTales release. The Veggie pals offer lessons on loving your neighbor (*The Story of Flibber-O-Loo*), your family (*Duke and the Great Pie War*) and God (*Madame Blueberry*). Between each story, "Veggie Kids" (as voiced by real children) share their thoughts and perspectives on the topic of love.

And fans of the Silly Song series will enjoy four favorite picks: "Endangered Love," "His Cheeseburger," "Love My Lips" and "The Bunny Song."

Parents will appreciate the biblically based teachings, and children will enjoy more than 80 minutes of VeggieTales entertainment. [Click here to purchase *Silly Little Thing Called Love*.](#)
