

Singer Michael Bublé Thanks Jesus for His 5-Year-Old Son's Cancer Remission

Canadian crooner Michael Bublé put his faith centerstage during a recent appearance on *The Late Late Show with James Cordon*, thanking Jesus Christ for his 5-year-old son's cancer remission.

While Bublé tearfully said his son Noah's story "is too hard to talk about," the entertainer declared, "We all moved, and we lived at [Children's Hospital Los Angeles] and we just had the best doctors and, God, thank you, Jesus Christ."

Noah was diagnosed with liver cancer in 2016, when he was only 3 years old. At the time of his diagnosis, Bublé and his wife, Luisana Lopilato, asked for prayers, adding, "We will win this battle, God willing." {eoa}
