

Six-Time 'New York Times' Bestselling Author Jonathan Cahn Tops Lists With 'The Harbinger II: The Return'

Jonathan Cahn has done it again.

Back in 2012, his first book, *The Harbinger* became a *New York Times* bestseller in its first week. But now—making a spectacular entrance—comes the long-awaited sequel, *The Harbinger II: The Return*, published by Frontline, an imprint of Charisma House. Cahn's newest blockbuster has dominated rankings worldwide in an unprecedented manner since it was released on Sept. 1, 2020.

The Harbinger II has caused groundbreaking book sales that have surpassed all of Cahn's previous books by achieving a *double ranking* on *The New York Times* bestseller list: It landed its first week at No. 4 on *The New York Times* Combined Print and E-Book list, along with No. 5 on *The New York Times* Hardcover Fiction list.

It is also a No. 1 bestseller on several national and international online book lists. It's an impressive list:

—*USA Today*: No. 5 on the Best-Selling Books Top 150 list.

—*The Wall Street Journal*: No. 4 in Hardcover Fiction.

Mind-Blowing Content

"We are more than honored to be working with one of the top authors in America and around the world," said Marcos Perez, Cahn's publisher and executive vice president of Charisma House. "It is a blessing to enjoy this achievement with Jonathan on yet another of his amazing works.

"The content in *The Harbinger II* is fascinating and truly mind-blowing," Perez continued." We are inspired by the fact that Jonathan has been so gifted by the Lord, and the success that all of his books continue to receive is certainly proof of his gifting. We look forward to the future impact *The Harbinger II* will continue to make around the globe as people try to make sense of what is happening in our nation."

Even before its Sept. 1 release, *The Harbinger II* solidified itself as a bestseller in several Amazon categories and climbed all the way to No. 1 in Christian Prophecies, Religion and Spirituality, Books and Bibles, Christian Literature and Fiction, Christian Mystery and Suspense, and Spirituality. It was ranked No. 1, 2 and 3 in Biblical Fiction, and No. 1, 2 and 3 in New Releases in Christian Books and Bibles. These rankings came weeks *before* the book's debut and are still holding.

This tremendous success during the pre-launch and launch weeks of *The Harbinger II* has propelled some of Cahn's other books back onto the bestseller lists, including *The Oracle* (2019), *The Paradigm* (2017) and *The Harbinger* (2012). On Amazon, *The Harbinger II* release propelled *The Harbinger* back to No. 1 in Religious Mysteries.

As an indicator of Cahn's enormous popularity, half of the top 10 books in Christian Prophecies were his. Not only that, but

eight of the top 40 of *all* were books written by Cahn.

Even before *The Harbinger II* was released, Cahn was in demand for television appearances, and has appeared on shows such as CBN's *700 Club*, TBN's *Praise* and *Family Talk* with Dr. James Dobson. He plans to continue radio and TV interviews throughout the fall season.

What Comes Next for America

In *The Harbinger II* Cahn reveals that the mystery which began with 9/11 has not stopped but has continued unfolding on America soil. The ancient harbingers that warn of coming judgment have continued to manifest.

In this electrifying sequel, Cahn further uncovers how the same mystery lies behind the events that are now shaking America –the plague of COVID-19, the economic collapse, the civil disorder, the riots and much more. What was foretold in *The Harbinger* is now coming true—and Cahn shares how an exact ancient template even determined the timing of the virus and the nation's shaking.

Cahn says that people have been asking him to write a sequel for years, but he could not write this book before now. "This book could not be revealed until the right time," he says. "I've been holding back from sharing for eight years. It was only in 2019, several months before 2020 began, that the Lord gave me the go-ahead to write it.

"The book opens up a prophetic revelation of America's future. It contains things have been waiting for years, mysteries that have never before been revealed ... from the beginning, to what has happened since, and up to this day," he says. "It tells what is behind the mystery, where we are heading and how to get ready. It opens up the revelations of God, the voice of God, the plan of God, where we are and what we need to do. It's truly for such a time as this."
